

In eigh - teen four-teen, we took a little trip, along with Colonel Jackson, down the mighty Miss - is - ip. We took

a lit - tle ba - con and we took a lit - tle bears and we caught the blood - y Brit - ish in a town near New Or - leans. We

fir - ed our guns and the British kept a comin', There was not as many as there was a while ago. We fir - ed once more

and they began a run - ning, On down the Missis-sippi to the Gulf of Mexi-co.
