A  
If just for a day our king and queen  
F  
Would visit all these islands and saw everything  
G A  
How would they feel about the changes of our land

A  
Could you just imagine if they were around  
F  
And saw highways on their sacred grounds  
G A  
How would they feel about this modern city life

A  
Tears would come from each others eyes  
F  
As they would stop to realize  
G A  
That our people are in great great danger now  
A F G A  
How, would they feel, would their smiles be content, then cry

Chorus:

A  
Cry for the gods, cry for the people  
F  
Cry for the land that was taken away  
G A  
And then yet you'll find, Hawai'i

A  
Could you just imagine they came back  
F  
And saw traffic lights and railroad tracks  
G A  
How would they feel about this modern city life

A  
Tears would come from each others eyes  
F  
As they would stop to realize  
G A  
That our land is in great great danger now

A  
All the fighting that the king had done  
F  
To conquer all these islands now these condominiums
