Do what you what you want, you don't have to lay your life down
 (it isn't over)
 Do what you what you want till you find what you're looking for
 (got to remember who you really are)
 But every hour slipping by screams that I have failed you

Hello, hello remember me?
 I'm everything you can't control
 Somewhere beyond the pain
 here must be a way to believe
 Hello, hello remember me?
 I'm everything you can't control
 Somewhere beyond the pain
 there must be a way to believe
