Damien Rice - 9 Crimes

Am F F C (x2)

        Am              F
Leave me out with the waste,
        C          G
This is not what I do.
        Am              F
It's the wrong kind of place
     C          G
To be thinking of you.
        Am     F
It's the wrong time,
    C          G
For somebody new
        Am     F
It's a small crime,
        C      G
And I've got no excuse.

-Chorus-
        Am     F
Is that alright?
C       G                 Am
Give my gun away when it's loaded.
         F
Is that alright, yeah?
C          G                          Am
If you don't shoot it how am I supposed to hold it?
         F
Is that alright?
C       G                 Am
Give my gun away when it's loaded
         F
Is that alright?
        C          G
Is that alright with you?

-End Chorus-

        Am              F
Leave me out with the waste,
        C          G
This is not what I do.
        Am              F
It's the wrong kind of place
```

```
        C          G
To be cheating on you.
        Am     F
It's the wrong time,
     C          G
She's pulling me through.
        Am     F
It's a small crime,
        C      G
And I've got no excuse.

-Chorus-
        Am     F
Is that alright?
C       G                 Am
Give my gun away when it's loaded.
         F
Is that alright, yeah?
C          G                          Am
If you don't shoot it how am I supposed to hold it?
         F
Is that alright?
C       G                 Am
Give my gun away when it's loaded
         F
Is that alright?
        C          G
Is that alright with you?

-End Chorus-

        Am F C G
Is that alright?
        Am F C G
Is that alright?
        Am              F C G
Is that alright with you?
        Am
Is that alright?
        F
Is that alright?
        C          G
Is that alright with you?

Am F C G
