She keeps her Moet et Chandon
In her pretty cabinet
'Let them eat cake' she says
Just like Marie Antoinette
A built-in remedy
For Kruschew and Kennedy
At anytime an invitation
You can't decline

Caviar and cigarettes
Well versed in etiquette
Extraordinarily nice

She's a Killer Queen
Gunpowder, gelatine
Dynamite with a laserbeam
Guaranteed to blow your mind
Anytime
Ooh, recommended at the price
Insatiable an appetite
Wanna try ?

To avoid complications
She never kept the same address
In conversation
She spoke just like a baroness
Met a man from China
Went down to Geisha Minah
(killer, killer, she's a Killer Queen)
Then again incidentally
If you're that way inclined

Perfume came naturally from Paris (naturally)
For cars she couldn't care less
Fastidious and precise

She's a Killer Queen
Gunpowder, gelatine
Dynamite with a laser beam
Guaranteed to blow your mind
Anytime

Drop of a hat she's as willing as
Playful as a pussy cat
Then momentarily out of action
Temporarily out of gas
To absolutely drive you wild, wild..
She's all out to get you

She's a Killer Queen
Gunpowder, gelatine
Dynamite with a laser beam
Guaranteed to blow your mind
Anytime

Ooh, recommended at the price
Insatiable an appetite
Wanna try ?
