Verse 3:

Extreme sounds that told me
They helped me down every night
I didn't have much to say
I didn't give up the life
I closed my eyes and closed myself
And closed my world and never opened up to anything
It couldn't get me at all.

Verse 4:

I had to close down everything
I had to close down my mind
Too many things should cover me
Too much could make me blind
I've seen so much in so many places
So many heartaches, so many faces
So many dirty things
You couldn't even believe.

I would stand in line for this
It's always good in life for this.

Oh baby, etc.
