A warning sign
came back to haunt me and I realised
You were an island and I passed you by
you were an island to discover

Come on in
I gotta tell you what a state im in
I gotta tell you in my loudest tones
I started looking for a warning sign

Chorus:

And the truth is
I miss you
yeah the truth is
that I miss you so
and im tired
I should not have let you go

Outro:

A G D
So I crawl back into your open arms x 4
